

Important announcement on the change of the website

“Russell/Nomura Japan Equity Index”

(URL: <http://qr.nomura.co.jp/en/frcnri/index.html>)

We hereby announce that we are to change the website of Russell/Nomura Japan Indexes as follows on August 16, 2012.

The details of the changes

<1> Russell/Nomura Japan Index Data Download Service

(URL: http://qr.nomura.co.jp/QR/FRCNRI/frnri_download_n.html)

- The file names of “Index Constituent Weight (the end of the last month)” are to be changed to “Prime(Pweightn_e.csv) from “Prime Index (Pweight_e.csv)”.
The data items of Sector, Share Holding(%), Value(%), Growth(%), Prime Value(bp), and Prime Growth(bp) are no longer available on this site and the layout of the table will be changed as such.
The new table provides Security code, Company Name, and Prime(bp).

<2> The Latest Index Value (JPY) and The Latest US dollar Index Value

(URL: <http://qr.nomura.co.jp/QR/FRCNRI/daily.html> and <http://qr.nomura.co.jp/QR/FRCNRI/USD/daily.html>)

- We shall suspend the data service of the sectoral constituent data* which can be accessed from the pages above. We continue to provide the sectoral index value data.

*The data is linked to each sectoral index value data as below.

The Latest Index Value (JPY) (continue)	→ links	Sectoral index value data (continue)	→ links	Sectoral constituent data (discontinue)
The Latest US dollar based Index Value (continue)	→ links	Sectoral index value data (continue)	→ links	Sectoral constituent data (discontinue)

Date of the changes

We will start changing the website from August 16 and the changes will be completed on August 19, 2012.

If you have any questions, please find our contact information below.

We look forward to a continued business relationship.
